COMEDY TOUR

**FEATURE – Mark Evans**

An Atlanta native, **Mark Evans** has spent his entire life in the South. However, he is NOT what you might expect to see when you hear the words "Southern Comic". Not only is his comedy hilarious, but it's smart, to the point and cutting edged clean. Two things you might take from his show is that you don't have to be dirty to be funny and that having a Southern accent does not mean you are stupid. In fact, his "Southern, Not Stupid!" tour has been taking audiences by storm from coast to coast, on land and at sea. Mark will allow you to see the lighter side of the dumb things that happen all around you every day.

COMEDY TOUR

**FEATURE - Dan Gabriel**

**Dan Gabriel** is one hilarious stand up comedian because you already know him. Everybody has a buddy just like Gabriel. He is that friend of yours who says something inappropriate to your grandmother about her dentures. Gabriel is your cool cousin who tells you about a band a few months before their hit single blows up the radio. He is that guy who you stayed friends with even after he broke up with your sister. It's Gabriel's ability to connect with audiences on a personal level that makes him funny. Gabriel has appeared on Comedy Central's Premium Blend, The Late Late Show with Craig Ferguson, and Star Search just to name a few.
