

SAT vs ACT

WHICH TEST IS RIGHT FOR YOU?

SCORES

The SAT® is scored on a scale of **400-1600**.

The ACT® is scored on a scale of **1-36**.

QUESTIONS

SAT questions require more time to work through.

ACT questions tend to be more straightforward.

5

READING

4

The SAT has 5 reading passages.

The ACT has 4 reading passages.

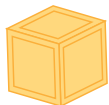

SCIENCE

If science isn't your thing, the SAT might be a better fit.

The ACT has a Science section that tests your critical thinking skills.

MATH

Both tests now have the same advanced math concepts: **Arithmetic, Algebra I & II, Geometry and Trigonometry**.

TOOLS

You do NOT get a calculator on all the math questions on the SAT.

You get a calculator for ALL math questions on the ACT.

ESSAY

The SAT essay section is more comprehension focused.

The ACT tests how you evaluate and analyze complex issues.
